Cedar Inn History

The Cedar Inn was originally a Max Stanton built, cottage display unit located on Rt. 5 and 20 just east of Fink's Station. In 1946, Hazel McLaughlin purchased the building and moved it to its present location. Bill Cassidy was the next owner buying it in 1963. The present owner, Ronnie Snyder, purchased the property in 1976 and has made numerous renovations including the addition of the Notre Dame room and a kitchen expansion in 1988. In 2006, 2 40" Widescreen LCD HDTV's were added and the bathrooms were redecorated in the colors of blue and gold to represent the Notre Dame spirit.
